DISCLAIMER

GENERAL DISCLOSURE

This report was prepared as a private communication to clients and was not intended for public circulation or publication or for the use of any third party, without the approval of Kina Securities Limited. While this report is based on information from sources which Kina Securities Limited considers reliable, its accuracy and completeness cannot be guaranteed. Kina Securities Limited, its directors and employees do not accept any liability for the results of any actions taken or not taken on the basis of information in this report, or for any negligent misstatements, errors or omissions. This report is made without consideration of any specific client's investment objectives, financial situation or needs. Those acting upon such information without first consulting one of Kina Securities Limited's investment advisors do so entirely at their own risk. It is recommended that any persons who wish to act upon this report consult with a Kina Securities Limited investment advisor before doing so.

DISCLOSURE OF INTEREST

The Directors of Kina Securities Limited advise that they and persons associated with them may have an interest in the above securities and that they may earn brokerage, commissions, fees and other benefits and advantages, whether pecuniary or not and whether direct or indirect, in connection with the making of a recommendation or a dealing by a client in these securities, and which may reasonably be expected to be capable of having an influence in the making of any recommendation, and that some or all of our staff be remunerated wholly or partly by way of commission.

IMPORTANT NOTICE | PLEASE READ

Kina Securities Limited (KSL) and/or Kina Group of Companies (Kina Group) seeks to do business with Companies mentioned in research reports. Accordingly, KSL and/or Kina Group employees and/or directors may have a conflict of interest. Investors should be aware of this potential for conflicts of interest, and should consider KSL and/or Kina Group research reports as just one aspect of their investment decisions.
